HOW TO READ YOUR BILL:

1. Monthly Charges include your Household Usage (shown as your V.C. x a number) and the flat, monthly Service Availability Fee, which is based on the size of your meter.

$$V.C. \times 4 = \$17.48$$

$$Service Availability Fee = \$11.81^+$$

$$Monthly Charges = \$29.29$$

2. A \$1 program fee is charged for the Sewer Service Line Replacement Program, which allows residents to apply for a reimbursement of up to \$2,500 for replacing substandard sewer service lines on their property.

3. The Franchise Fee, equaling 10% of your monthly bill, is collected on behalf of the City of Little Rock.

$$Monthly Charges = \$29.29$$

$$Service Line Replacement Fee = \$1.00 +$$

$$Franchise Fee (10% \times \$29.29) = \$2.93$$

$$Total Use Charges = \$33.22$$
